Turning Code into Creativity

Projects Resume Blog Contact

About Me

I'm a Computer Science Engineering student passionate about programming (C, Python), creative design (Canva, Fusion 360), and social impact. I love blending technical rigor with playful creativity.

Projects

- **PDF Converter in Python** – Converts code output to shareable PDFs
- **Fusion 360 Badge Design** – Anime-inspired cultural badge
- **HTML Portfolio** – This website!
